This page in a nutshell: This was a Request for comment on paid editing. No clear consensus emerged from the discussion.

Rootology's opening view was that motivation for editing is not important, it is the end result of that editing - the content - that matters. They asserted that if the content is policy compliant, there shouldn't be a problem, and this viewpoint received 102 support votes, the most of any statement. While there were few other statements directly in favour of paid editing, iridescent felt allowing it wou...
